Acceptable Methods of Making Payment

The most convenient way of saving is by direct debit, but we also accept payments by standing order. For those employed by one of the companies operating a payroll deduction scheme with us, we can take money directly from your wages. Our website has a list of the employers currently offering payroll deduction schemes to our members if you wish to check.

You can get all these forms from our website at: **www.NorthLondonCreditUnion.org** or we can post them to you. We need to have the original forms to send on to your bank, so you will need to post them or deliver them to our office before we can pass them on to your bank.

Proof of Identity

In common with other financial institutions, we are required by law to establish the identity and address of new members and borrowers. We therefore need to see two documents, **one from each of the lists** below:

Evidence of who you are

- Full national passport
- Full national driving license
- Social Security document
- Building Society Passbook

Evidence of where you live

- Gas/Electricity Bill
- Telephone bill (not mobile)
- Council Tax request
- Bank/building society/credit card statement
- Tenancy agreement/mortgage document

You may bring these documents in to our offices when you join, and we will take copies as necessary, or you can send us copies in the post.
